Series Deadlocked At Two Games Each

Narberth and Paoli in Deciding
Game For M. L. League
Title Tomorrow.

ON BOROUGH'S FIELD

In the fourth meeting of the scheduled five-game series for the championship of the Main Line League, Paoli succeeded in forcing the series to a standstill by virtue of their spectacular victory over Narberth in a return contest on Sunday at Rustic Park.

In dividing the honors over the past week-end both teams repeated their accomplishments of the previous week and each now holds two victories apiece. The fifth and deciding game of the series, which will be held at Narberth on Saturday, will mark the crowning of the champion club of the Main Line League circuit for this season.

Charley Madden's Paoli Club have evidenced a slight superiority over the present champions in batting prowess which they have exhibited in each of the four games played. Paoli out-batted Narberth in the first two games of the series with an average of .329 against .311 of the borough nine. For the two subsequent games of the championship plays, the percentages were subject to recessions, but the Westerners still managed to stay out front by hitting for a return of .303 as compared with .271 for the champions.

This superiority with the mace and the inability of the Narberth players to cope with Paoli's star moundsman, Jimmy Noblitt, are the features that led to the rally of the Paoli Club which enabled them to stalemate the championship standing.

With Dominic Verna and Barney Umbach at bat, Jimmy Noblitt and Bill Hagey to share the mound duties and the renowned scintillating plays of that big three, Henry-to-Verna-to-Potter, Paoli is a decided and alarming favorite to take back to Paoli grounds the 1930 championship of the Main Line League.

In both of these games the bulk of the Narberth scoring was due to blunders by Paoli. Of the nine runs which the champions scored for the pair of contests only five were earned, one of these errors coming in the last inning of the first game at Narberth on Saturday that gave the Narberth nine access to the winning tally and victory over Paoli.

Exhibits Timer

During the week of September 15 Edwin A. Speakman, of Hampden Avenue, Narberth, who is a senior at Haverford College, exhibited at the radio show in St. Louis the "Timer" which he invented. This week Mr. Speakman is demonstrating the device at the Philadelphia radio show. The new electrical gadget is intended to make the timing of races, etc., more accurate.

Wears New Colors

Edward "Tip" Peters, star of last year's Lower Merion eleven, whose sensational dashes brought victory in several games for the maroon, who made his debut as quarterback of the Gettysburg Academy football team last Saturday. Peters expects to enter Gettysburg College next fall. He is the son of Mr. and Mrs. Edward Peters, of Woodbine Avenue, Narberth.

Parent-Teacher Asso. Greets New Principal

Two Hundred and Fifty Attend Opening Meeting Monday At School.

An enthusiastic gathering of 250 parents and teachers attended the opening meeting of the Parent-Teacher Association held at the Narberth School on Monday evening.

In the course of the meeting all members of the School Board, the Executive Committee and all teachers were introduced personally. This was followed by the introduction of the new principal, W. J. Drennen, and Mrs. Drennen. In a brief talk Mr. Drennen expressed his desire to co-operate fully with the Parent-Teacher Association and spoke of his pleasure in taking up his work here. Mrs. C. H. Woolmington, president of the association, assured Mr. Drennen of the association's readiness to help in any way.

Tables, decked with flowers, were arranged about the school auditorium with one teacher at each.

A pink paper parasol, made by Mrs. Paul Tapp, was presented with a gay little speech from Mrs. Woolmington to Mr. and Mrs. Drennen. Mrs. J. H. Perry, Jr., and her assistants served cake and punch.

The meeting was marked by enthusiasm and good spirits by all present.

Hold Luncheon

The Hospitality Committee of the Woman's Community Club of Narberth held a picnic luncheon at the home of Mrs. J. D. Sutherland on Woodbine Avenue Monday.

Welcomed by Parents

W. James Drennen, principal of the Narberth Public School, who was introduced at the first meeting of the year of the Narberth Parent-Teacher Association. Over two hundred parents were on hand to greet the new principal.

Legion B. and L. Opens 24th Series

New Shares of Stock Offered at Annual Meeting Next Tuesday.

Officers and directors will be elected at the annual meeting of stockholders of the Narberth American Legion Building and Loan Association, to be held 7 to 9 o'clock Tuesday evening at its headquarters, the office of the Narberth Coal Company, Haverford and Narberth Avenues. At that time also the twenty-fourth series of stock will be opened.

Assets of the association, according to its financial statement published this week, are \$311,164.74.

The popularity of the double shares has increased during the association's ten years of growth, and a banner series is anticipated with the opening of the new series Tuesday night. Both double and single shares will be issued at that time. Payments for single shares are one dollar per month per share and twenty-five cents entrance fee, and for the double shares two dollars per month per share, plus fifty cents per share entrance fee.

Officers of the Legion Building and Loan Association are Alexander C. Shand, Jr., president; Colonel I. A. Miller, vice president; Harry A. Simpson, secretary; Horace T. Smedley, treasurer, and Walter M. Burkhardt, solicitor.

Directors are: Edward Davis, Maurice B. DuMarais, Ralph S. Dunne, William H. Fowler, Harry A. Jacobs, J. L. McCrery, Carl B. Metzger, I. A. Miller, John A. Mowrer, Jr., Henry T. Nash, Jr., James W. Follin, A. C. Shand, Jr., Harry A. Simpson, Horace T. Smedley, Fletcher W. Stites and William H. Durbin.

Borough Firemen Answer 3 Alarms

Extinguish Fire in George Sup-
lee's Coupe and Ga-
rage Roof.

BURNING TOAST SMOKES

Narberth firemen responded to three alarms during the past week, though in only one case was there any damage resulting from fire.

Last Friday at 5 P. M. an alarm was received from the home of George B. Suplee, the Borough's Superintendent of Public Works, at 315 Woodside Avenue. When the apparatus arrived on the scene it was found smoke was issuing from the garage and that it was Mr. Suplee's Ford Coupe which was on fire and not his house. Considerable damage was done to the seat of the car. It is believed that the fire was caused by crossed wires.

On Tuesday morning at 9:05 A. M. an alarm of fire at the home of J. Leon Taylor, 231 Essex Avenue, was received. When firemen reached the scene it was found that toast burning up in a gas range had caused considerable smoke, making neighbors believe the house was on fire. There was no damage.

Fire of a more serious nature called the firemen out again on Tuesday when an alarm was received at 2:30 P. M. from the home of William Selfridge, 407 Haverford Avenue. The garage roof had caught on fire and caused about three hundred dollars damage by the time the flames were extinguished.

A flurry of excitement was caused in Lantwyn Lane last Thursday afternoon when smoke was seen issuing from the kitchen windows of the home of Frederick Black, 217 Lantwyn Lane. A neighbor, investigating, discovered some dog food cooking on the stove had caught fire and that the family was out. He managed to turn out the gas burners in spite of the heavy smoke and the "fire" soon was out.

Community Club to Hold First Meeting Tuesday

The Women's Community Club of Narberth will hold its first meeting of the year on Tuesday, October 7, at 2:30 P. M. in the club room in Elm Hall.

The purpose of the meeting is principally to discuss plans for the County Federation meeting which will be held in Narberth on Thursday, October 23.

Cake Sale Tomorrow

The Parent-Teacher Association will hold a cake sale tomorrow morning, October 4, on the lawn of Harry B. Walls' property, corner of Forest and Haverford Avenues. In case of rain the sale will be held in the shop formerly occupied by the Flower Shop in the rear of the Merion Title Building on Narberth Avenue.

Film Re-Lives Perils and Fun of Expedition

Although menaced by countless dangers, facing innumerable terrors, the little band of men that followed Rear Admiral Richard E. Byrd into the unknown land at "the bottom of the world" returned to civilization without loss or injury. With them came the film-record of one of the most daring achievements of the age, "With Byrd at the South Pole," which will be the feature attraction at the Egyptian Theatre, next Monday and Tuesday.

Filled with colorful adventure, thrilling drama, aching suspense, hearty humor, "With Byrd at the South Pole" is one of the strangest and most interesting pictures ever made. It is the living record of the men who battled the ferocious elements of Antarctica for twenty months and returned to tell what they saw.

"The foresight of Rear Admiral Byrd was, in large measure, responsible for the fact that his was the first polar expedition to return to civilization with every man in perfect health," according to Joseph Rucker, who, with Willard Vander Veer, photographed the thrilling real-life romance, "With Byrd at the South Pole."

The entire picture was made in Little America, situated on the Bay of Whales, in the area of 750 miles surrounding the South Pole. The daring flight across the Pole is one of the big thrills in the story. The picture shows the life, the work, the play of the men during those twenty months of practical isolation. The humorous incidents of their every day life are relived in film.

Business Men Meet

The Narberth Board of Trade held its first meeting of the fall Monday night in the office of the Narberth Coal Company. Methods of improving the business community and of encouraging local buying were discussed.

Caper Again

Messrs. Laurel and Hardy, who are demonstrating at the Egyptian Theatre this week-end how not to put up radio aerials. Their talking picture effort is entitled "Hog Wild."

Girl Scout Concert Held at Penn A. C.

Mrs. J. Willis Martin, chairman of the Philadelphia Girl Scout Council, spoke on Scouting over the radio last Friday night at the Penn Athletic Club, during a concert given for the "new camp" fund. The joys of Scouting and the need for more leaders was the theme of her talk, which went out over a large network.

Nelson Eddy, Lisa Lisona and the Newton Coal Co. orchestra gave the concert and donated their services very kindly to the cause. A representative audience filled the ballroom, including the chairman and members of the Philadelphia Council and various District Committees, of which the Main Line Committee is one. Mrs. Lewis Van Dusen, of Overbrook, is chairman of the latter; Mrs. William A. Dyer, of Ardmore, vice-chairman; Mrs. William Grant Snowden, of Rosemont, secretary; and Mrs. Francis Sinkler, of Bryn Mawr, treasurer. Many box parties were given, and several dinners preceded the concert.

The new camp near Norristown was acquired this summer and will eventually supplant the present Philadelphia camp near Media, "Camp Tall Trees." It is planned to expend \$60,000 to equip it in the most up-to-date manner and make it one of the best in the country. It will be ready in another year, it is hoped.

'Social Lion,' Pinchots, and 'Common Clay' Booked

Comedian Jack Oakie in "The Social Lion" will amuse Narberth Theatre audiences this Friday and Saturday. Skeets Gallagher and Mary Brian are in the cast, and there is some exciting polo playing. On the same week-end bill is an unusual talking picture, "South Seas," filmed and told by Governor-nominee Gifford Pinchot, and Mrs. Pinchot and their son.

At the junior matinee 1 P. M. this Saturday Hoot Gibson will star in "Roaring Ranch"; Sunny Jim will appear in "No Boy Wanted"—a comedy—Felix the cat will caper through a cartoon, a song cartoon entitled "Never Dreamt" will entertain, and likewise "Romeo Robin" and the Fox news.

Next Monday, Tuesday and Wednesday, "Common Clay," termed the "miracle picture of 1930" because of its striking treatment of an unusual theme, will be the Narberth Theatre's feature. Its cast will include Constance Bennett and the Lew Ayres who stars in "All Quiet on the Western Front." On the same program are a Laurel and Hardy comedy, and "Zampa," a musical featurette.

Coming next Thursday is "Good Intentions," an exciting tale of international crooks, with Edmund Lowe and Regis Toomey among the large and capable cast. Next Friday and Saturday, Joe E. Brown will hit Narberth in "Top Speed." "Dawn Patrol," with Richard Barthelmess, is scheduled for October 17 and 18.

M. L. Repertory Theatre Preparing for Season

The Main Line Repertory Theatre held its first meeting of the current season on Wednesday evening at the Woman's Club of Bala-Cynwyd. Miss Lisel Boericke, daughter of Mr. and Mrs. Gideon Boericke, Deepdene, Wynnewood, recently elected president of the organization, presided at a short business meeting which preceded try-outs for "Belinda," by A. A. Milne. This will be the first of a series of five plays to be presented during the year. Robert Roland Dearden, 3d, who has long been affiliated with the stage and is well known in amateur dramatic circles, will be the director.

The theatre, founded two years ago, is now seeking to expand and cordially welcomes Main Line residents either as part of its audience or as actors. Details may be obtained by addressing Barent F. Landstreet, secretary, Deepdene, Wynnewood.

To Be the Speaker

Mrs. John Y. Huber, of Ardmore, who will speak at the luncheon-meeting of the Lower Merion-Narberth Council of Republican Women to be held at the Green Lantern Lodge, Ardmore, on Monday noon.

L. M.-Narberth Republican Women to Meet Monday

The Lower Merion-Narberth Council of Republican Women will open the season with a luncheon-meeting at the Green Lantern Lodge in Ardmore at twelve o'clock on Monday. Mrs. John Y. Huber, of Ardmore, will be the speaker and her subject will be "Current Political Events." Mrs. Theodore E. Benade, of Cynwyd, is the hostess.

Officers of the Executive Board are, chairman, Mrs. H. Tatnall Brown, Jr., Haverford; vice-chairmen, Mrs. Leroy C. Douglass, Narberth; Mrs. Theodore Benade, Cynwyd; Mrs. Morris Green, of Ardmore; secretary, Mrs. J. E. Scull, of Bala; Mrs. H. T. Leedom, Ardmore; treasurer, Miss Margaret Brusstar, of Bryn Mawr.

Another meeting on October 28 will be held in the Township Building at Ardmore in the evening. Miss Sara M. Soffell, formerly of the Department of Labor and Industry and now an associate judge, Allegheny Courts, will speak on "International Relations."

Two Meetings of Sub-Juniors Scheduled Soon

The Executive Board of the Sub-Junior Department of the Woman's Community Club of Narberth will hold a meeting at the home of the president, Mrs. L. Parker Miller, 514 Dudley Avenue, at 7:30 o'clock on Monday evening, October 6.

The first meeting of the fall of the Sub-Juniors will be held at Elm Hall on October 13 at 7:30 P. M. Any girl between the years of 14 and 18 are cordially invited to come to this meeting.

Story Hours Reopen at Library Tuesday

The first Story Hour since the summer vacation will be held at the Narberth Community Library on Tuesday afternoon, October 7 at four o'clock.

There will be stories of knights, an Indian legend, a fairy tale, and a story especially for the very little ones. All children are invited. Mothers and other visitors are welcome.

Scout Fund Contributions Are Coming in Slowly

Contributions to the Narberth Boy Scout Fund are not being received as promptly as anticipated, but to those who have made donations the Fathers' Association expresses its sincere thanks.

The appeal for support for the local scout troop was made recently by Walton M. Wentz, president of the Fathers' Association.

A contribution is hoped for from every family in the borough, no matter how small, in order that the scout work in the borough may be successfully continued.

Following is a list of contributors to date: Rev. John Van Ness, William C. Claghorne, Dr. H. F. McDuffee, A. J. Malschleb, C. J. Brunell, William J. Crossan, A. C. Shand, J. L. McCrery, A. L. Lambert, William B. Griscom, R. S. Dunne, William Sample, M. J. Lacey, Dr. Floyd W. Tomkins, Miss H. P. Sadelman, G. W. Revington, J. Bertram Nesper, A. Perry Redifer, A. H. Wilson, William H. Coleman, Dr. L. R. Davis, Carl B. Metzger, Dr. W. Zentmayer, Mrs. Mary J. Jones, Dr. R. M. Staley, Edw. P. Dold, Alan J. Smith, Alfred Peeney, Frank X. Purcell.

Rummage Sale Planned by Federation of Churches

A Rummage Sale for the benefit of the Main Line Federation of Churches will be held Thursday and Friday, October 9 and 10, at 44 E. Lancaster Avenue, Ardmore, from 9:30 A. M. to 6:00 P. M. Contributions for this sale, in the form of clothing, furniture, dishes and other household supplies, should be sent to the store on Monday, October 6. Persons having no way of sending articles may telephone Bryn Mawr 657 and someone will go for them.

Pieces of broken or old fashioned jewelry or silverware, no longer in use, will be welcomed by the committee in charge either at the store or at the office of the Federation of Churches, Memorial Building, Bryn Mawr. Spectacle frames and pieces of silver or gold, even though broken, will be gladly received. These will be disposed of elsewhere.

This sale should be of value to three groups of persons. First, it gives an opportunity to persons who have very small incomes to buy good clothing at prices within the limit of their incomes. Secondly, it brings cash to the Federation of Churches to pay milk bills for undernourished children and to help families who are unable to care for themselves because of hard times or illness. The sale also gives an opportunity for people to get rid of articles no longer of use to them.

To Dedicate New Organ at All Saints Church Sunday

Dedication of the new organ in All Saints Episcopal Church, Wynnwood, will take place at the 11 A. M. service this Sunday. Given in memory of Alice Gibson Brock, the splendid instrument was installed this summer. It will be consecrated by the Rt. Rev. Joseph M. Francis, D. D., Bishop of Indianapolis.

Music, rendered by the full choir under direction of Organist David Pratt, will include Stanford's Te Deum in B-flat, Gounod's Sanctus Solennelle from the "St. Cecilia Mass," and an offertory anthem, "Awake, awake, put on thy strength, O Zion," by Dr. H. Alexander Matthews.

"Time Out"

By Tommy Macklin

Bobby has gone back to Atlanta. That leaves the rest of us with other things to do. Of course the local cad-dies now have their Christmas problems solved and as to that new winter overcoat, what is the new style anyway?

* * *

Even Bill Anderson has taken up golf. The fact that he is left-handed does not seem to hold him back. Jim Davis, Barney McManus, Bill Fowler, Russ McGrath and many of the other boys who are in a weakened condition may be found nightly spending their summer savings on the "You-Sock-Em" courses.

* * *

Bobby Jones, as some of you know, is vice president of the Atlanta Southern Association Baseball Club. Bobby opens the season each spring down there by teeing off at home plate and driving a golf ball over the centre-field fence. That sets his home boys off to a good start and they proceed to finish in the first division as a matter of habit.

* * *

Lower Merion started the current football campaign as though it were a simple business matter and must be dealt with accordingly. Result: Williamson Trade took a terrible lacing from Adam's boys to the tune of 31 to 2.

* * *

We are glad to see that 2 on the scoreboard against the Main Liners. No use for them to go to bed Friday nights worrying about being scored against. All they have to do now is score themselves.

* * *

That safety which netted the visitors two points in the final quarter was a puzzle to the fans. The answer is simple. The punter, Bob Taylor, in the process of kicking the ball out of danger in his own end zone, accidentally stepped on the end line with the ball in his possession. That automatically gives the opposing team a safety in anybody's league.

* * *

Much credit for the success of the opening victory should go to the wonderful playing of the Maroon line. John Pennypacker, captain, was an inspired leader and a whale of a help on attack and defense. Jim Turner, Seaver Rose, Harris Latta, Dominic Polilli, Jim Bradford and Lachman Reinhart were towers of strength who opened up huge holes through which the backs sped for gain after gain. Turner and Polilli showed ambition and fight in abundance throughout the contest. The boys gave the fans a treat on how line positions should be played.

* * *

Jack Rockwell scored the first two touchdowns and made the first gain for the locals. He went off left tackle for a run of 12 yards on the first play after they gained the ball. Dave Ridge, who played a wonderful game, made many gains of ten, twelve and fifteen yards. He placed the ball on the one-foot line for Jack to take over for the second touchdown. Frazer, Harry, by name, made some nice runs as did Herb Young.

* * *

"Buck" Ryan, Ardmore boy, did some honest line crashing after the second quarter started. The holes were there, and we don't know whether Ryan is a comer, or whether the hole was so big he just couldn't miss. Anyway, the stalwart lad went over for two touchdowns, and that is all in his favor.

* * *

Radnor started the season off as predicted, losing the first game to a strong Haverford High aggregation. Two touchdowns was about the right difference.

* * *

Radnor may lose all of the games up to the Lower Merion tussle, win that one and shout hurrahs while they enjoy their turkey roast.

Wanted: a punter. Applicants see Coach Adam any afternoon during practice.

Overhead

Suppose two organizations for social service have a budget of \$20,000, and one has an overhead of \$2000, while the other has an overhead of \$10,000—which is the better managed and does the more good? One's first reaction is to say that the one with the smaller overhead is the better, but further thought presents this problem: how much of overhead is overhead of money and how much is overhead of service?

An organization may dispense charity by making reasonable inquiries about the applicants for relief, and giving money judiciously, while keeping the overhead of management to a small proportion, only to find that many people who should be doing better are continuing to be a drain on the treasury. On the other hand, an organization may supply with its necessary gift of money valuable service in rehabilitation, which helps to develop personality, solve difficulties, and raise above the need of financial assistance. Sympathetic co-operation from a capable social worker may lead to a better use of what money is available, the elimination of some expenditures that were not really necessary, the adoption of a balanced ration of food that is healthier and at the same time cheaper, the making of some clothing at home rather than the purchasing of inferior ready-made goods which are not just suitable, the making of contacts where necessary with clinics, hospitals and convalescent homes, etc., the inculcation of better habits of life, the bringing into touch with the elevating influences of the Church of choice. Such a program, of course, calls for many visits from and with a kindly, efficient worker, whose salary is thus well earned. The family is helped to help themselves. The overhead of the society may seem great, but, it is an overhead of service. The organization with the larger overhead may be the more economical and the more useful. The aim of the Main Line Federation of Churches is service, rather than charity, and its overhead is an overhead of efficient service.

Big Cold Man From the South Receives Horace Greely Treatment When He Seeks Lower Merion Hospitality

The sad tale of a big cold man from the South was unfolded this week at the township building in Ardmore. It concerns a tall young man of about 27 years of age, with black face and kinky black hair. His name: John Casey.

Early last week when Mr. Casey sauntered through Ardmore, with no apparent destination in mind, he was picked up by the police and taken to headquarters, to Magistrate Franklin P. Kromer. He declared he had just arrived from the South, and he admitted he had no intention of looking for work.

"Well, clear out of here," said the squire.

Next day Mr. Casey was still shuffling around. He was taken to the squire again, and again warned to leave this section.

Next day he was again in evidence. Brought before Squire Kromer once more, he was sternly told—"Beat it, now, or you'll go to jail."

His face lighted up. "Why, boss, that's jess what ah wanted!" he said.

But the squire couldn't see it that way. Sending a vagrant to jail at Norristown for the winter would cost the county money. "Look here," said the Law. "You've got to work if you want free board and warm lodging."

So Mr. Casey was set to cleaning up the township building, from roof to cellar, from cleaning windows to scrubbing floors. In four days he had completed his job—and still he declined to depart.

Yesterday a couple of Lower Merion officers had to leave for Altoona, to bring back a prisoner. "The county jail's full," meditated the magistrate. "Fellows, take Mr. Casey along West with you, and tell him goodbye when you reach the Alleghenies."

The Alleghenies are far from the Main Line.

A Letter

Narberth, Pa., October 1, 1930.

Dear Edith:

Since your visit to us last week I have thought of a trick name for our Women's Auxiliary of the Narberth Fire Company—"Mulieres." If you haven't forgotten your High School Latin, you won't need to look it up, and it is so like the chairman's name, Mueller.

We are having our first meeting on Monday, October 13, at 2:15 P. M. in Elm Hall. We hope lots of women will join.

Lovingly yours,
JULIA.

Commutation Tickets Good on Schuylkill or Main Line

Bala-Cynwyd and Merion commuters may now ride on either the Schuylkill Division or the Main Line on one commutation ticket. Through Charles E. Neville, chairman of the Bala-Cynwyd Neighborhood Club's Public Service Committee, the Pennsylvania Railroad announces:

Ten trip and fifty trip tickets for rides between Philadelphia and Cynwyd are also good to Merion on the Main Line, and between Philadelphia and Bala, they are also good to Overbrook.

This means that, effective last Sunday, commuters may avail themselves of the service of trains on the two divisions, motoring to the most convenient station and using their commutation tickets on either line.

The concession had been sought for years by commuters and by the Neighborhood Club of Bala-Cynwyd.

Bala-Cynwyd Rally in 9th Wins Game; Deadlocks Series

After leading up to the ninth inning, the Lower Merion-Narberth Police team slipped a cog, and their rivals, the Union Fire Company of Bala-Cynwyd, put over four runs, winning the game 7 to 6 and tying up the championship series.

The final and deciding game of the series for the championship of the Police-Firemen league will be played this Saturday at the Cynwyd School field at 3 P. M. A cup emblematic of the year's supremacy, donated by the Ardmore Chamber of Commerce, will be presented to the winning team.

In last week's game, the Police seemed to be certain winners up to the last stanza when the Cynwyd firemen unleashed their potent rally productive of four runs. Previously Bailey of the Police nine had hit a booming home run with none of his team mates on base at the time.

Dirks pitched for the Cops and Titlow for the Bala-Cynwyd Firemen.

To Meet Tuesday

The Bible Class of the Narberth Presbyterian Church will commence its meetings for the fall on Tuesday evening at 8 o'clock with the study of the Book of Daniel conducted by Miss C. Harrison.

Narberth to Meet Paoli in Series Final Saturday

By a decision of Walter E. Hanley, President of the Main Line League, the fifth and final game of the championship series will be played at the Narberth Ball field this Saturday. This verdict of Mr. Hanley was reached following a disagreement between "Gene" Davis and Charles Madden, managers of the respective teams.

Paoli, with its array of hard sluggers, whose consistency have enabled them to out-hit the Boroughites .317 to .291 for the past four games played, and with Jimmy Noblitt on the peak will meet the present rulers of the league overwhelmingly confident of an easy triumph. Narberth, with its cast of crafty players, but poor pitching resource, will face the challengers with one hope for victory; to profit by the ability to come through in the pinch.

SPECIALLY DESIGNED SLIP COVERS PROTECT YOUR CAR WHILE VACUUM LUBRICATION EXPERTS WORK

VITAL SERVICE

These services increase your driving pleasure and your car's trade-in value

Greasing. Done in roomy, lighted pits by trained men equipped with the latest tools. Parts exposed during work protected by fitted covers. Eight different greases especially refined for specific types of duty and applied according to charts authorized by motor car builders.

Washing. Modern pressure equipment used by trained men working in glass enclosed, drained and daylighted wash racks. Hydraulic jacks raise cars to convenient levels for under-gear washing.

Polishing. Soft chamois, proper cloths and complete stocks of cleaners and polishes. Daylighted and closed rooms insure against dry polish missed through reflection of artificial light.

Tightening. Thoroughly trained men with special tools working from authorized charts remove all the annoying squeaks and rattles that worry the driver and deteriorate the car.

VACUUM OIL CO.

CHATHAM RD.

Mobilgas station at this convenient corner.

This Station open between 7 A. M. and 11 P. M.

As far as Vacuum Service Stations are concerned, the day when automobile greasing and oiling consisted of putting grease into the transmission and oil in the motor has gone forever. Today we even go so far as to protect your car while a lubricating job is being done. Specially designed slip covers on every exposed part protect your hands, your car, your clothing.

The job of greasing a car has developed into a science. When you consider that your car may have over 60 greasing points, each requiring one of seven or eight kinds of grease, you begin to feel that expert handling of this job is essential. For example, the water pump. Vacuum engineers have developed a special waterproof grease for this mechanism. Springs are oiled with special spring-oil, delivered under pressure that seeps into every crevice, and on for every part.

The most modern equipment is used by experts at the Mobilgas stations.

Charts prepared by Vacuum engineers and the motor car builders themselves are followed in the lubrication of each different make of car.

Our gasoline, Mobilgas, is a modernized fuel specially made for the car you drive today.

Come in and visit us and see our tiled, well-lighted grease pits that are actually clean enough to make dainty frocks safe.

Even daintiest of frocks are safe from soiling in Vacuum's tiled grease pits

Gives Latest Advice On

Japanese Beetle Control

Japanese beetle grubs are now feeding heavily on roots of the sunny sections of lawns in the Philadelphia area that have not yet been treated with arsenate of lead. Large brown areas are appearing in the lawns as the result of the feeding. Grubs may be poisoned by distributing five pounds of arsenate of lead on the portion of the lawn exposed to the sun. It is advisable to use a carrier with each five pounds of arsenate of lead, such as seventy-five pounds of dry bar sand. Apply the mixture when the grass is dry.

On lawns that are so damaged that reseeding is necessary, the lead arsenate may be incorporated in the top soil. Demonstrations conducted by Charles K. Hallowell, Philadelphia Extension representative, 247 South Juniper Street, indicate that a treatment of arsenate of lead gives protection from grub injury for at least three years.

Friendliness, neighborliness, co-operation—this community can make good use of as much of them as you have.

Paoli Ties Narberth

At Two Games Apiece

CONTINUED FROM PAGE 1

For the second contest the breaks of the game were numerous and all of them in favor of the Narberth players as they scored three of their four runs on errors. But the persistent and unyielding desire to come through and atone for all this shoddy fielding in the hour of need found the Paoli boys pounding the aces of the Narberth pitching corps at will and without cessation.

In defeat in the initial fray on Saturday Paoli's slugging lads outlit the Narberth champions thirteen blows to ten as five free tickets to first played a big part in the local scoring of runs. The Saturday game was a continual panorama of doubles, triples and a two hundred and fifty-yard drive into centre-field for a home run by Verna as boys in Paoli vestment stampeded along the pathways to triumph.

Two successive blunders in the first inning of the inaugural event, both charged against one man, Samuel Potter, led to the scoring of the first run by the visiting Paolians while a bit of mental generalship by Verna resulted in the scoring of the second run when Bill Reynolds fell for a bit of Paoli trickery. Barney Umbach singled and then purposely rounded first by a wide turn to entice Reynolds to make a throw.

To the delight of Umbach, Bill executed the throw to run him down but, when Kearney saw Verna stealing home, he relayed the ball to Young, but failed to score the out. Umbach was safe at the keystone on this play.

Verna's homeric blow in the eighth inning and Noblitt's triple in the finale accounted for two more markers for Paoli that placed their final scoring at four runs. In this inning Charles Townsend relieved Bill Reynolds on the peak and took credit for the victory when Narberth accomplished their last-minute spurt to triumph.

Charley Madden sent Bill Hagey in to start the first game and kept the boroughites off the scoring disc by holding Narberth hitless for the first three innings. Then in the following chukker Narberth gained the lead by tallying three runs, a passed ball and three hits giving the champions the narrow margin.

When W. Heckel singled in the sixth inning, brother Merritt's triple went into the production of the fourth run and the score was sent into a deadlock.

Two hits, a pair of passes and an error gave Narberth victory in the finale, as the contest came to end with only one out charged to the Narberth Club. Humphries singled and went to second on Harkins' wide throw to second. McEntee and Fleck, two dangerous hitters, were both walked purposely, and Jimmy Noblitt, who went in to the aid of Hagey, was nicked for a single off Merritt Heckel that sent in the veteran with the run that gave Narberth victory.

Graham Starts Sunday

Narberth took the customary lead at Rustic Park on Sunday and, as usual, found it dwindle before the game came to a finish. Malfactions by Potter on first base and Belancin behind the mask contributed the first two runs for Narberth in the first frame while Tompkins' single in the alien half of the second inning scored Verna to offset the Narberth lead.

Narberth batters fell like soldiers before a machine gun rattle as Jimmy Noblitt struck out twelve of the pick of the Narberth Club at almost the average rate of two each session. Jimmy was a mystery to the champions.

Martin and W. Heckel both gained first base in the fourth inning, the latter's admission on Verna's error going into the making of a Narberth run, as Bob scored off the miscue. Girard and Verna dispatched a single and a double, respectively, in the alien half of the sixth and both scored off Henry's single to right wing. This evened the score for the time being, but victory faced the Paoli Club in the last inning

Series Deadlocked At Two Games Each

when, having gone into the lead, Noblitt seemed in high spirits, closing the game with a strikeout that foiled Narberth of an attempt to rally to triumph. One down, Verna doubled to right-field and on Umbach's two-bagger to the same spot, Verna stepped over the pentagon, Umbach went to third on Tompkins' sacrifice hit and Henry was thrown out, Graham to Martin.

Fleck Loses Ground

As predicted prior to the championship series, the majority of Narberth players lost considerable ground in their batting statistics, with some rather unusually embarrassing results. The one exception to the list of receding batsmen for services during the championship series is the remarkable performance of Harvey Humphries, whose average took a slight dip from .363 to .362. Johnny Curvan, formerly a keen rival of Mickey Burns for second place honors, left the .400 group as he now bears a mark of .389.

But most important of all is the standing of Vernon Fleck. Before the beginning of the series Fleck bore an average with the mace of .465, but since then he has seen his mark lower to .457 subsequent to the activities of the first two games of the series and on down to .438 after the conclusion of the last two games of championship play. Burns, his nearest rival, follows with .417. George Babb's two hits out of three times at bat enabled him to register a .462, but this percentage does not place him among the leaders of the club because of the few games played this season.

Mission Society to Meet in New Church

The Woman's Foreign Missionary Society of the Narberth Methodist Episcopal Church will meet on Monday, October 6, at 2:30 in the church parlor. This will be the first meeting in the new church.

The meeting will be in charge of the newly-elected president, Mrs. Albert Y. Sigel, who will give a report of the meeting of the Philadelphia branch of the W. F. M. S. at Oil City, Pa. All members and friends are urged to attend this meeting.

The hostesses will be Mrs. Franck W. Miller and Mrs. Minnie Mapes.

Girls Need Captain

No captain has as yet been obtained for Narberth's Girl Scout troop, according to Mrs. John C. Nash, who requests that volunteers for leadership of the troop communicate with her in the near future.

C. E. to Meet Sunday

Its first meeting of the season will be held by the Senior Christian Endeavor Society of the Narberth Presbyterian Church 7 P. M. this Sunday in the upper room of the church. All young people of 16 years or over are cordially invited to attend. The topic will be "How May We Help Folks in Our Community?"

"Perhaps you have an idea . . ." according to one of the officers of the society. "Come and partake of some real Christian fellowship; real benefits, both moral and social, are to be derived by those who come and take part."

To Hold Classes

Alma Neilson (Mrs. Dan B. Ely), who with her husband will conduct dancing classes in Narberth this winter.

Nicholls—Wilkie

A wedding of interest to Narberth took place on Tuesday afternoon in Newport News, Va., at quarter of six when Miss Mae Warrenton Wilkie, the daughter of Mr. William Crosby Wilkie, became the bride of Mr. Charles Richard Nicholls, of Philadelphia. Against a background of Ascension lilies and lighted tapers, the marriage was solemnized in the home of the bride, "Perkins Court," by the Rev. E. T. Wellford, of the First Presbyterian Church of that city. Only the immediate family and a few intimate friends witnessed the nuptials.

The bride wore a gown of brown velvet, and a picture hat of the same shade as her gown. She carried a bouquet of yellow orchids and lilies-of-the-valley.

An informal reception was held immediately after the ceremony.

Miss Wilkie is a graduate of Miss Illman's School, Philadelphia, and attended Temple University.

Mr. Nicholls is a graduate of Penn State College.

Mr. Nicholls and his bride left immediately after the ceremony for New York, where they boarded the S. S. "Veendam" for Bermuda. They will live in Anderson, Indiana.

Quite a lot of entertaining has been done for Miss Wilkie. Among those who gave her parties were Mrs. Thomas D. Smith, of Norfolk, and Miss Frances Coyner, of "Ivyton," entertained at the home of Miss Coyner with a bridge and shower, last Thursday evening. There were twenty guests.

Last Friday afternoon Mrs. George Patterson and Miss Lois Chamberlain, of the Vanderbilt Hotel, gave a bridge and tea in honor of Miss Wilkie. There were twenty guests.

Mr. W. C. Wilkie entertained at dinner at the Chamberlain Vanderbilt on Saturday night.

Mr. and Mrs. E. A. Cooke, of 341 Fifty-ninth Street, entertained at the Tidewater Club at dinner on Monday evening in honor of her niece, Miss Mae Wilkie.

In June Miss Sarah Hoake and Miss Mary Hoover, of Narberth Avenue, Narberth, gave a tea and shower in honor of Miss Mae Wilkie, at which time her engagement was announced.

Miss Amy Enion, of Sabine Avenue, also gave a bridge and shower in honor of Miss Wilkie.

Elocution Schools in New City Quarters

The National School of Elocution and Oratory will open its 57th year next Monday under the direction of Miss Dora Adele Shoemaker, daughter of the founder. The school will find itself in new quarters in the center of the city—1821 Chestnut Street, with more space and large sunny rooms.

A Bryn Mawr graduate, Miss Barber, has been added to the staff, as registrar and head of the psychology department. Many Main Line residents are graduates of the school, among the more recent being Mrs. Robert Pitten, (formerly Miss Mary Virginia Dold), Miss Dorothy Ruskin, Miss Wilmot Schoff and Miss Polly King, all of whom have made their mark in the field of amateur dramatics.

Haverford College Football Schedule, 1930

Haverford College will meet C. C. N. Y. this year for the first time, on the home grounds. This game replaces the annual Drexel contest, which has been dropped from the schedule this year. Kenyon, Trinity and Susquehanna are all met on the home field this year. The schedule follows:

October 4, Ursinus, away; October 11, Susquehanna, home; October 18, Kenyon, home; October 25, Trinity, home; November 1, Johns Hopkins, away; November 8, Hamilton, away; November 15, C. C. N. Y., home; November 22, Delaware, away.

Hear of Foreign Travel

Members of the Bala-Cynwyd-Narberth Rotary Club enjoyed a talk Tuesday by the Rev. Ivan M. Rose, of Merion, pastor of the First Baptist Church, Philadelphia.

Mr. Rose told of his recent trip abroad, stressing the attitude of Europeans to American people and customs. He brought out the opportunities for close fellowship among the nations.

Haverford Announces 1930 Soccer Schedule

The Haverford College soccer schedule is the same as last year, with the exception of the Army game, which has been dropped this year. The outstanding games of the season are with the U. of P., Navy and Princeton, while the traditional Swarthmore game will finish off the season. The schedule follows:

September 27, Chalfonte-Haddon Hall, away; October 4, Lafayette, home; October 11, Lehigh, away; October 18, Penn State, home; October 25, Crescent A. C., away; November 1, U. of Penna., home; November 8, Princeton, away; November 15, Navy, away; November 21, Swarthmore, home.

Rush Chapter, D. A. R., Plans Card Parties

The Ways and Means Committee of the Dr. Benjamin Rush Chapter, N. S. D. A. R., announces plans for a series of card parties during the coming season, the first of which will be held at 2:30 P. M. Friday, October 10, at the home of Mrs. C. Arley Farmer, Woodbine and Cleveland Avenues, Narberth. Refreshments will be served and there will be prizes for each table and also a season prize for the person having the highest score for the series.

Reservations may be made by calling the chairman, Mrs. John C. Nash, or any of the following members of the committee: Mrs. Jos. H. Miller, Mrs. Jos. R. Aiken, or Mrs. C. Arley Farmer.

Haverford High sports a determined group of footballers this season. This game is likely to be a stumbling block for Adam's Maroons.

Our Town—five cents the copy at Narberth's news-stands or \$2 for a year's subscription, bringing it every Friday morning to your home by mail.

Christian Science Topic

"Unreality" is the subject of the lesson-sermon to be read in all Churches of Christ, Scientist, Sunday, October 5. The Golden Text is "Turn us again, O God of hosts, and cause Thy face to shine, and we shall be saved" (Psalms 80:7).

Among the citations from the Bible is the following: "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness" (Matthew 6:22, 23).

The lesson-sermon also includes passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, one of which reads: "God is not the creator of an evil mind. Indeed, evil is not Mind. We must learn that evil is the awful deception and unreality of existence. The spiritual reality is the scientific fact in all things. The spiritual fact, repeated in the action of man and the whole universe, is harmonious and is the ideal of Truth" (p. 207).

BUSINESS SIDELIGHTS BY PAT

The Bridge Fans will be delighted to hear that they may learn the 1930-31 Bidding Conventions before they are published for the world at large. Here's how—Mrs. H. I. McConnell, of Narberth, has personally received the changes in bidding from Milton C. Work! Think how advantageous that will be when you know that the public will not know about them until December. Bridge players who want to be just "a jump ahead" will call Narberth 2818-W.

CONTRACT BRIDGE

Mrs. H. I. McConnell holds a teacher's certificate from Milton C. Work, who has personally given her the changes in the 1930-31 Bidding Conventions; which will not be published until December.

Bryn Mawr Opened 46th Year Tuesday

**President Marion Park Urges
Courageous and Accurate
Thinking.**

PROFESSORS APPOINTED

The forty-sixth year of Bryn Mawr College was opened on Tuesday at 9 A. M. when 500 students crowded Goodhart Hall to hear the president, Dr. Marion Edward Park, make a plea for courageous and accurate thinking.

Dr. Park resumed charge of Bryn Mawr College this week following her recent return from Egypt and the Near East, where she spent her sabbatical year.

"We have a tradition at Bryn Mawr College which is a valuable one for a democracy, wherein we recognize standards," she said. "Whether we like them or not, we have to live with them and thus we are directed toward accurate and courageous thinking.

"Accurate thinking takes us over an area explored, while courageous thinking takes us over old boundaries into new areas. We should not be afraid of either distinguishing or choosing between better and best. Nor should we be afraid of the recognition of our limitations or of the adjustment that follows."

Dr. Helen Taft Manning, who has been acting president, resumed her position as dean of the college.

College began for 109 freshmen Wednesday with the opening of Freshman Week, during which interviews are given by the president and the dean, medical and physical examinations are held and freshmen are instructed in the rules of the Self-Government Association.

Dr. Angeline Helen Lograsso, of the University of Rochester, has been appointed to the Italian department; Dr. Gustav A. Hedlund, of Harvard, to the mathematics department; Dr. Nelson K. Richtmyer, of Harvard, to the chemistry department, and Dr. Edward Watson, of Johns Hopkins University, to the geology department.

Other faculty appointments include:

Dr. Paul Orr, of the University of Pennsylvania, to the Biology Department; Dr. A. Lincoln Dryden to the Geology Department, Miss Mary Phleger Smith to the Department of Social Economy and Social Research, Miss Ruth Mulford Collins to the English Department, Miss Elizabeth Norton to the Department of History of Art, Miss Elsie Pokrantz to the German Department, Miss Mary Stedman Sweeney to the Spanish Department and Mrs. Genevieve Wakeman to the English Department. Miss Ruth Elizabeth Fairman, Helene and Cecil Rubel Foundation Fellow of Bryn Mawr College last year, has been appointed as instructor in Latin.

Four non-resident lecturers have been appointed. They are Dr. Hatcher Hughes, of Columbia, to the English Department; Dr. Charles Grosvenor Osgood, of Princeton, and Dayton McKean, of Princeton, to the English Department also, and Donald Eghor, of Princeton, to the Department of Archeology.

In addition, a new officer of the college, a director of scholarships, has been appointed, this post to be filled by Miss Julia Ward, of Highlands, N. J., formerly warden of Rockefeller Hall.

Susan M. Kingsbury returns to the college from a sabbatical year in Russia, and Dr. Mildred Fairchild, who has been traveling with her, has been appointed associate in the Carola Woerishoffer department of social economy and social research; Dr.

James Leuba, Dr. William Roy Smith, Dr. Marion Parris Smith and Dr. Samuel C. Chew return from a year's leave of absence and also Dr. Mary Hamilton Swindler, who has been abroad since February.

Leaves of absence have been granted to Miss Lucy Martin Donnelly, professor of English; Dr. Hornell Hart, professor of social economy and social research, and Dr. David Hilt Tennent, professor of biology.

Helen Taylor Rorke, of Cynwyd, is the only freshman from the section among the twenty-one from the State.

Main Line to Have Independent Football Team

The Main Line will have an independent football team this year composed of all ex-college football stars. Among those colleges already represented by players are Pennsylvania, Harvard, Penn State, Georgia Tech, Brown and Dartmouth.

The team has already been working out on a field on the Main Line. There are positions open and it is urged that any college star from Philadelphia or vicinity immediately get in touch with the manager and come to the meeting this Saturday afternoon, September 27, at 3 o'clock at the Merion Cricket Club.

It is promised that the Main Line will put a team of luminaries on the field this fall. Each man has had experience playing college football and the team is ready to battle the best of the professional teams in this vicinity. Such backfield stars as Marsters, MacAvoy and Waters will be great drawing cards in any game.

To sign up with this team or to book games with them, please write or phone the manager, J. B. Hartwell, 300 Essex Avenue, Narberth. Telephone Narberth 2989-W.

Dairy Makes Big Cut in Price of Milk

A heavy cut in the price of its milk was announced this week by the Penshurst Dairies of Narberth. The reduction affects both grades of raw Ayrshire milk handled by the farms. Certified milk, which previous to September 1st was being marketed for Penshurst by a Philadelphia dairy at 30 cents per quart, has been cut for direct sale to 20 cents. Penshurst Inspected Raw, which was 23 cents, is now offered at 18 cents.

Dr. Ezra S. Denbler, manager of the Farms, has arranged for regular delivery in the district from City Line to Bryn Mawr. The farm, possessing one of the most famous herds of cattle in the world, is owned by Percival Roberts, Jr.

Dancing Classes to Open in Elm Hall

Dancing classes will be started next Saturday, October 11, in Elm Hall by Mr. and Mrs. Dan B. Ely. Classes for various ages of children will be held beginning at 10:00 A. M.

Both Mr. Ely and his wife are former professional dancers, having appeared for years in the Keith Circuit. Mrs. Ely's stage name is Alma Neilson, under which name she made a reputation as a toe dancer, acrobatic dancer and musical comedy performer. Mr. Ely specializes in tap and acrobatic dancing.

Their home is at 103 Dudley Avenue, Narberth. They have one son, Blaine Ely, who is a soloist in All Saints Choir, Wynnewood.

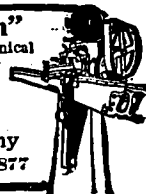

MARY P. MULLINEAUX

Funeral services were held for Mary Penrose Mullineaux, widow of Joseph Mullineaux, formerly of Narberth, on Tuesday afternoon at 2 o'clock at the home of her son, Joseph Mullineaux, No. 5 Bala Avenue. The interment was private. Mrs. Mullineaux died on Sunday.
